EXPLANATORY COMMENT FOR DISCLAIMER UNDER 37 CFR 1.321(a)

Sir:

Enclosed herewith is a Disclaimer under 37 CFR 1.321(a) in the above-identified application, disclaiming claims 3 and 6. Claim 23 was also disclaimed on October 16, 2007 under 37 CFR 1.321(a).

Claim 23 was disclaimed because claims 23 and 19 were identical and therefore duplicates. Accordingly, claim 23 was disclaimed to correct the error of having two identical claims. Claim 3 is being disclaimed herein because, while it is dependent upon claim 1, the definition of R3 in claim 3 is defined to include hydrogen, but there is no antecedent reference in Claim 1 wherein R3 can be hydrogen. Similarly claim 6 is dependent from claim 1 and claims a particular compound wherein R3 is hydrogen, thus not having antecedent reference in Claim 1.

By disclaiming these claims, Applicants do not intend to disclaim the subject matter of these claims, but only these particular claims themselves.

The Commissioner is hereby authorized to charge the \$130 fee under 37 CFR §1.20(d) and any additional fees that may be required to Deposit Account No. 19-0134 in the name of Novartis. An additional copy of this paper is here enclosed.

Respectfully submitted,

Novartis
